

1.

I love chocolate. I once accepted chocolate bars as compensation for work until I realized it wasn't sustainable.

2.

I enjoy reading science fiction, especially stories that explore time travel concepts.

3.

As a jack-of-all-trades, I enjoy dabbling in many different things as part of my learning process.

4.

I have a collection of playing cards and recently started collecting digital art at neonmob.

5.

I sleep easily on airplane rides and treat them like mini retreats.
